GROUP NOTES

1. Can you share a time in your life when you felt particularly close to God, as if you were on the mountain? What were the circumstances, and how did it impact your faith?
2. In our daily lives, how can we intentionally seek God's presence and make an effort to return to the metaphorical mountain described in Matthew 17:1?
3. In the mountain experience, there is a mix of fear and comfort. How can we balance a healthy reverence for God with the comfort that comes from being in His presence?
4. Share a personal challenge you are currently facing. How might the insights gained from being on the mountain influence the way you approach and navigate this challenge?
5. What practical steps can we take as a group to encourage and support each other in daily living that reflects the principles of getting back to the mountain?
6. Reflect on the companionship described in Matthew 17:4-9. How does being in a community or life group contribute to your spiritual journey and provide insights, corrections, comfort, and instructions?
