GROUP NOTES

1. Reflect on a time in your life when you had to accept the end of a particular season. How did you handle it, and what did you learn from the experience?
2. In what ways can we find strength and faith in God when facing the uncertainty that comes with the end of a familiar season?
3. Discuss the importance of having a clear vision from God, as Joshua did, when entering a new season. How can we discern God's vision for our lives?
4. How does the promise that God will never leave us nor forsake us provide comfort and assurance as we step into a new season?
5. What steps can we take to actively align ourselves with God's vision and promises during this current season of our lives?
6. Joshua 1:9 encourages us to be strong and courageous. How can we encourage and support one another as a community during times of transition and new beginnings?
7. Share ways in which your Rooted group can actively demonstrate strength, courage, and mutual support to each other in this season.
