GROUP NOTES

1. Reflecting on Galatians 5:22, what are the spiritual fruits that manifest in the life of someone who is walking in the spirit? How do these fruits impact one's character?
2. Acts 1:8 mentions the power to change lives. How does walking in the spirit contribute to a transformative influence in our own lives and the lives of those around us?
3. Exodus 33:11 encourages giving God the first thought daily. How can this practice enhance our ability to walk in the spirit, and what role does it play in our spiritual journey?
4. Ephesians 5:18 emphasizes giving God control. How does surrendering control to God align with walking in the spirit, and what changes might this bring about in our lives?
5. Romans 12:1 speaks about presenting our bodies to God. How does this act of giving God our bodies connect with the concept of walking in the spirit, and what significance does it hold in our spiritual walk?
6. Beyond the theoretical understanding, what are some practical steps or daily habits that can help individuals in our group walk in the spirit based on the scriptures discussed?
7. How does an individual's commitment to walking in the spirit impact the broader community or the life group itself? In what ways can we collectively encourage and support each other in this journey?
8. What challenges do we face in consistently walking in the spirit, and how can we overcome these challenges together as a life group?
