GROUP NOTES

1. According to Ecclesiastes 3:11, God has set eternity in the human heart. How does this awareness of eternity influence our daily lives and decision-making?
2. Explore the concept of Heaven as described in Hebrews 11:10. How can we share the concept of the eternal city with others who may not yet have this hope?
3. According to 1 Thessalonians 4:13, what is the present state of Heaven? Discuss the difference between the grief of believers and those who have no hope. How does the hope of resurrection shape our perspective on loss and mourning?
4. Reflect on Romans 14:10-12. What does the Bible say happens when we die? According to the verse, each of us will give an account of ourselves to God. How does this accountability affect our actions, thoughts, and words in our daily lives?
5. In Acts 7:55-56, is Heaven portrayed as a physical place in space and time? Reflect on how the image of Jesus standing on the right hand of God encourages us in our faith journey?
6. According to Revelation 6:9-11, what will it be like to live in Heaven? How does this vision of Heaven impact our motivations and priorities on Earth?
7. Explore Revelation 18:20. Explore the idea that the souls are given white robes. How might this symbolize the transformation and purification that occurs in the afterlife?
8. In Luke 21:33, Reflect on the idea that heaven and earth will pass away. How does this call us to prioritize eternal values over temporary ones in our daily lives?
